

COMPANY PROFILE

PT. PUTRA GURADOG BERKAH
STEEL & INSULATION CONTRACTOR

ABOUT US

Although **PT. PUTRA GURADOG BERKAH (PGB)** was established in 2015 (substitution from CV. MITRA ISOLASI TAMA), we are experienced professionals for over 15-years, . We did varieties of work including supplying building materials, doing civil & architectural works as well as servicing industries for coating and insulation. As the company grows, we decided to focus on coating (epoxy, polyurethane based coating), waterproofing and insulation jobs, and has grew steadily since branching out into Oil & Gas, Mining, Shipyards, Commercial Building Insulations and other heavy industries.

We at **PGB** are totally committed in providing a total coating solutions to customers from product specification up to application and coating inspection service. True to its motto – *“Only the best is good enough”* – total work dedication and commitment with various maintenance/engineer teams have created a mutual confidence that resulted in much customer satisfaction. At PGB, we want to earn your trust to be your sound trustworthy partner.

VISION

Being environmentally-conscious, customer-oriented, socially responsible, placing importance on ethical values and targeting continuous growth, our company aims to provide our employees with highly-motivated work environments and to maintain employee satisfaction continuously by enabling them to improve their knowledge, abilities, specialties and to let them show their superb performance. Also our company's aims are making differences and being the most preferred company in the sector and to maintain its position continuously.

MISSION

Our mission is to conserve reliance of our customers in construction sector, to better our technical success within frame of our quality management system based on development of our business process and to share our all technical and systematic knowledge in line with satisfying requires and expectations of our customers.
